Dear Mr Chapman.

I am very sorry I am not been able to write to you in Venice or at Nice but the reason is that soon you left Milan I receive advice of a good find of gold coins near Genova and I am been ever since running after them with little result for of the bulk of nearly 6000 pecchini most of them French and coins of Francis the I and Louis XII are droped in the hand of the Autority and eventualy they will be sold by Auction

I have for you a Copie of Cinagli (de monete dei papi) Johnson insist to have £10 for bronze and £6 for silver in gold £2500 and £100 in silver — net price for him. The day I had a long talk with him about America and offered to give his price (£10 and 6) if he give me a discount of 10 p°o on all the medals I will sell in America on condition that he must not sell any more medal himself to Americans except trough my Agent and naturaly saving me my commission of 10 p°o — He as not accepted, but still is not far from an agreement — Naturaly he ask me as many medal I will be able to sell, I replie that now the place is spoiled by Mr S. of San Jose but still I think by the attention of my Agent (of cours I have not jet give your name) in Hoping up the medal at a honest price we could be able in a year or so to sell fiews hundreds —

Now what do you think of an arrangement of this sort? Let me know if I have to insist on this, or if I have simply to buy only 25 Medals of each metal at best price.

Of Napoleon Mask I have no reply but for the reason I told you before I must wait a little longer.

Mr Cardoni as left the Town for Nice and will not return before the end of next month so nothing to do about the 2 Siracuse Tetradrachms. — he sold all the silver medals and a quantity of bronzes to Ballei of Wien who came some days after you left and he was very sorry not to be able to see you in Wien — If I succede in having the 2 Siracuse they will be for you.

So for you owe me only £40 per 1 Copi of Cinagli — I shall wait your orders about Johnsons medals — and I have from the Hotel Metropol your packet of brong coins. —

I am very very glad of your meeting in Dresden — I suppose we shall meet again at some other epoch — till then success to you

Yours Truly
